Crystal Waters:

**INTELLECTUAL AND MORAL HARMONY**

Intelligence allows the solar spectrum of energy arranged within the red and blue-violet spectrum to help and achieve physical form. The revealed individual situations cry for mental/ emotional-body or emotional/spiritual-body energy. Breaking down the variations it has taken on in physical reality and form. In order to reverse the effect through pulsation of sound and luminosity, it is done by the embedded codes of the label.

800ml batch of  
water base

---

Floral Waters:

**HEAVENLY GRACE**

God's grace is consciousness from the pineal gland, the guardian angel of the human energy field and a gift from spirit. Great magical sparks of action experiencing, knowledge and information a beautiful part of - as above so below- garden of all properties in flowers. Breaking down the variations in the electromagnetic particle and atom fields with a fluid-like substance communicating the flourishing truth to the Mind and spirit, brighten the rainbow ensuring balance and wholeness. God won't spill a heavy sadness into a single family, depending on clarity from the body emotion, which is connected to the thought form and physical reality of form. Health and disease patterns are concepts of the mind; in essence the anatomy of spirit is changed from a body on burn-out to a spiritual being with the power and impulses of the frequencies of flower codes into the human energy.
